Total	35

Table 3. Estimated Number of Mental Health Counseling Program Graduates Who Successfully Passed the National Counselor Exam (NCE) through Summer 2023			
Graduation Term	# of Grads	# Passed	% Passed
Summer 2022	12	9	75%
Fall 2022	7	6	86%
Spring 2023	15	11	73%
Summer 2023	13	6	46%
Total	47	28	60%

Note: Number of alumni passing the exam is an estimate based on review of Texas Professional Counselor licensure data (in addition to student self-reports), which requires passing the NCE or CMHCE to receive LPC Associate status or the LPC license.

*This data does not include students who may have taken the NCE and passed but did not apply for licensure status in Texas and did not respond to the survey. It is also not known how many students took the exam but did not pass. Summer 2023 graduates are also less likely to have taken the exam at the time that data for this report was compiled.

Table 4. Counseling Program Graduation Rates: Students Graduating within 3 Years of Initial Enrollment*			
Entry Academic Year	Cohort	Number of Degrees	%
2019-2020	46	33	72%
2020-2021	41	18	44%

Note: Some students in the 2020-2021 cohort are still completing their third year at the time of this report. Cohort numbers represent student who started classes in the academic year, not who were accepted into the program. Data does not account for students who moved or transferred to other programs.

Job Placement Rate (employment in a counseling position) = 71%

* Estimate based on self-report data from Mental Health Counseling Program alumni (Fall 2022 Graduates)
