- Program curriculum approved by the Texas Higher Education Coordinating Board
- Non-thesis master's degree
- Offered by UTEP's College of Education

Master Today's Multicultural Classroom

A master's in bilingual education gives teachers and professionals in education-related fields an advantage in today's increasingly linguistically and culturally diverse multicultural classroom and offers increased employability. Types of positions graduates can expect to hold include:

- Bilingual education curriculum specialist
- Public/private school teacher (ESL or Bilingual)
- Adult literacy, GED and ESL teacher
- Community college instructor
- Corporate trainer/bilingual professional development specialist
- Two-way immersion teacher

Online Master of Education in Bilingual Education

Admissions Requirements

To qualify for admission into the M.Ed. in Bilingual Education program, you must:

- Submit a completed graduate admissions application and application fee
- Have an undergraduate GPA of 3.00 or greater
- Provide a resumé with your latest work experience and skills
- Write a statement of purpose demonstrating your personal and professional goals as related to the focus of the program

International students whose first language is not English must also submit:

- Official TOEFL (Test of English as a Foreign Language) score of at least 79 on the online version, or 550 on the paper-based version

Admissions factors will be reviewed holistically to assess the potential of the applicant.

Curriculum

The 30-credit online Bilingual Education program requires you to successfully complete 10 master's-level courses. Spanish language proficiency is not required to pursue this degree, but students may find that a basic understanding of the language is helpful in some courses.
