From:

Dr. Tim Roth, Department Chair of the Economics and Finance

Dr. John Hadjimarcou, Department Chair of the Marketing and Management

Dr. Giorgio Gotti, Department Chair of Accounting and Information Systems (10/2/20)

To:

Jacen Maier Moore, Undergraduate Curriculum Committee

Subject:

Request to modify the prerequisite for Business Core classes

This memo is to request a modification to the prerequisite for the Business Core classes below. In response to the request from the Financial Aid Office to eliminate our Pre-business (PBUS) designation In Spring 2017, the College was compelled to move students who were under this designation to BBA-General Business starting in Fall 2017. In order to ensure that students completed the Business Foundation courses before continuing with Business Core upper-division classes, the pre-requisites for these classes were modified by adding the Business Foundation courses as pre-requisites. This semester, the College created Lower Division (LD) codes that allow the College to readopt the "real" prerequisites that were in place before Fall 2017.
