Graduate Certificate Programs

The UTEP Graduate School accepts applications year round. Please refer to the information below for specific admission deadlines and requirements. Before starting the application process make sure to have the following documents at hand:

- Transcripts and diploma/certificates of all universities and colleges attended prior to application
- Evaluation of credentials is highly recommended for applicants who have earned university level credit from international institutions. An approved evaluation requires a detailed course-by-course evaluation.
- Entry test scores for GRE/GMAT/PTE (check program below if applicable).
- TOEFL/IELTS required for degrees conferred in non-English speaking countries.
- Official test scores must be submitted directly from the testing agency. The University's institutional test code is 6829.
