THE UNIVERSITY OF TEXAS AT EL PASO UNIVERSITY HONORS PROGRAM

To earn the Engineering Honors Degree, students must fulfill the following requirements:

1. Completion of Forms
All forms are submitted electronically, via MineTracker. Students must complete a total of 13 forms: 4 Event Forms, 4 Notice Forms, 4 Completion Form, 1 Senior Clearance Form.
2. Academic Requirements
Maintain a minimum 3.5 cumulative GPA
3. Terms required to complete with The University Honors Program (UHP)
Students must complete a minimum of 4 full terms within the UHP. Failure to complete this requirement will result in Honors degree not being awarded
4. Completion of College Requirements
Each college has specific requirements tailored to their field of study. To graduate with an Honors Degree, students must engage in a total of 4 Edge Experiences/High-Impact Practices at their own pace by the designated deadline. For each experience, students need to submit both a notice and a completion form, resulting in a total of 4 notices and 4 completion forms to be completed and submitted. To receive full credit, all 8 forms must be approved
 - Once the student starts an Edge Experience, submitting a High Impact Practice Notice form is required
 - Once the experience is completed, a High Impact Practice Completion form is required
 - Edge Experiences completed before joining the UHP can count towards completing the credit requirement if the student submits a Notice and Completion Form as proof. Required GPA must be maintained during and at the time of completion

Edge Experiences allowed by your college and details to receive credit are listed below.

Capstone Experiences – Allowed once during college career and is approved as high-impact practice; the activity cannot be part of a degree plan

Community Engagement – Allowed once during college career, and activity must be registered through the CUE platform. Students must participate in a minimum of 40 hours of community service in the same place and within the same semester. Students must submit all hours on this platform to receive credit; after submitting the hours, students must also complete the high-impact notice and completion form

Creative Activities – Allowed multiple times during college career; it must have a significant contribution to a student competition

Internships- Allowed multiple times during college career. Activity must be related to a student's major and/or career plans. Must register the activity in Handshake unless it is a formal internal course that must be completed within the academic or pre-professional field

Professional Preparation – Allowed multiple times during college career; must complete at least 40 hours of shadowing professionals in their field: pass the Fundamentals of Engineering (FE) Exam can be counts as Professional Preparation. Different activities cannot be combined to meet the minimum required

Research and Scholarly Activities – Allowed multiple times during college career; must register for RSRC 4033 and obtain a grade of S

THE UNIVERSITY OF TEXAS AT EL PASO UNIVERSITY HONORS PROGRAM

Student Leadership – Allowed once during college career; must be involved in a UTEP registered organization and hold an officer position for at least 1 year

Study Abroad/Away – Allowed twice during college career

Student employment – Allowed once during college career; must be an employee for a consecutive year as a Research Assistant or as a Teaching Assistant

5. University Honors Program (UHP) Group Event Participation

The UHP is a learning community and requires Honors students to participate in events with other Honors students. All students of the UHP are required to participate in 4 events with other Honors students. The UHP plans and organizes several events of its own every semester and announces these events in advance. We encourage Honors students to attend these UHP events, but we also allow students to select other interesting and meaningful UTEP events that might better fit their schedules. Students who attend non-UHP events should find at least two other Honors students to attend the event with them; the students must then submit information about their attendance through a form on MineTracker. Before Honors graduation, approval of a total of 4 event forms is required. You can find detailed information and the steps necessary to receive credit for these events at www.utep.edu/honors by selecting 'Community Events.' Please note that while we encourage participation in as many UHP Group Events as possible, we also emphasize the importance of maintaining a balanced school-life schedule

6. Graduation Clearance for the Honors Degree

Students are required to submit a Graduation Clearance Form by the deadline specified by the main Honors office. This form must be submitted during the last semester before graduation and to receive credit it must be approved by the main office. These deadlines are not flexible; some university offices impose deadlines that the Honors program must meet. Late submissions may result in the student not receiving Honors recognition. If a student is graduating in the summer but participating in the Spring commencement ceremony, the necessary documents must be submitted according to the UHP Academic Spring calendar due dates. Similarly, if a student is graduating in the summer but participating in the Fall commencement ceremony, the required documents must be submitted based on the UHP Academic Fall calendar due dates.

UNIVERSITY HONORS PROGRAM RECOGNITION

1. Honors Degree recognition on the transcript
2. Honors Convocation recognition in April every year
3. Recognized at commencement by the wearing of gold stole and pin
4. Commencement booklet mention
