## Survey of Program Heads

Regarding Employment of Ph.D. Graduates

Thank you for taking the time to complete this brief questionnaire. The information you provide will be used for statistical purposes only. No institution will be identified by name or other means.

Please answer the following questions for **doctoral students who graduated** from your program in the **most recent year** for which you have complete data.

Program name:

Year for which you are providing data:

1. What is the number of doctoral graduates from your program for the most recent year?

Comments/Explanation (optional):

2 (a). What percentage of doctoral graduates from your program in the most recent year were employed within one year?

% employed right after graduation

% employed within 6 months of graduation

% employed within 1 year of graduation

Comments/Explanation (optional):

2 (b). What types of jobs did your graduates receive?

Job Sector	% of Graduates	Typical Salary (\$)
Within Discipline		
Private Sector		
Teaching		
Government		
Management/Administration		
Post-doc		
Placement Outside of Discipline		

Comments/Explanation (optional):

2 (c). What percent of your graduates received multiple job offers?

3. Estimate the likely number of Ph.D.s in this area that your department will hire over the next two to three years.
